

Laurens 55 E-alert Registration

An e-alert is an e-mail notification of updates to your areas of interest on our website. The school district may also send out announcements through the e-alert system. The following steps will show you how to register and select the sections from which you wish to receive e-alerts.

Open <http://www.laurens55.k12.sc.us> in a web browser.

Click Register in the upper right hand corner of the page.

Enter your date of birth.

Enter information in the required fields.

Registration is now complete.

To subscribe to E-alerts click Sign In.

Sign in using the name and password you created during registration. If you have forgotten your information, an email with the info was sent to the e-mail address you provided.

Click Access My Info.

Click on the Edit Subscriptions button.

Select a school from the menu.

Check the box next the section(s) from which you would like to receive e-alerts. Click the submit button.

You may modify your e-alerts at anytime by just logging in and accessing your info.
